

BRITISH DX CLUB'S

Radio Stations in the Republic of Ireland

Key to abbreviations in Notes column:

- # = transmitter planned but not yet in service at time of publication
 >> = due to close or change frequency.
 CS = Community or Special Interest station (broadcasting hours may be limited)
 IN = Institutional Broadcaster (broadcasting hours may be limited)
 TS = Temporary Station
 ** = pirate station/unlicensed transmitter
 VHF transmitter polarisation: v = vertical m= mixed c= circular h=horizontal

*NB: Parallel frequencies are listed for local stations only as a guide and may at times carry separate programming.
 Transmitter power and polarisation is subject to confirmation.*
